Re: Request for Additional Information (30-Day Post-General Report, (10/14 11/22/2010)

This is in response to the Federal Election Commission's analysis of the Committee to Re-Elect Trent Franks to Congress 30-Day Post-General 2010 Disclosure Report and your request for additional information concerning that report.

CONTRIBUTIONS RECEIVED POST ELECTION

Your analysis of the report indicates that one or more contributions received after the general election were designated for the general election. The Committee is in the process of reviewing those contributions to determine whether they were properly designated and to determine the amount of net debts outstanding. Upon completion of this review the Committee will file an amendment.

I trust that this response and the soon to be filed amended reports will satisfy the Commission's request. Please contact me should you require any additional information.
